### Work Experience:

Private Practice Psychologist  
06/2016 – present

- Independent contractor providing a variety of forensic evaluations, including criminal competencies (stand trial, waive Miranda, pro se), insanity, diminished capacity, mitigation, violence risk, parental capacity, civil commitment, disability, and pre-employment.
- Contract with attorneys across Washington State, Idaho, Oregon, and at the federal level.
- Have conducted over 2000 evaluations.

Behavioral Health Consultant  
Madigan Army Medical Center, Department of Family Medicine, Joint Base  
Lewis-McChord, WA  
05/2012 – 06/2016

- Behavioral Health Consultant integrated into an outpatient family medicine clinic.
- Provided psychological evaluation, intervention, and triage to active-duty soldiers and their family members.
- Provided consultation services to primary care providers and the clinic commander.

Program Manager, Subject Matter Expert  
National Center for Telehealth and Technology, Joint Base Lewis- McChord, WA  
08/2011 – 05/2012

- Lead subject matter expert for the design and implementation of mobile phone applications that promote psychological health.
- Used psychological expertise to oversee the design, content, research, and evaluation of these applications.

Postdoctoral Resident  
Portland VA Medical Center, Portland, OR  
08/2010 – 08/2011

- Advanced training in health psychology/behavioral medicine with emphases on psychological assessment of medical outpatients and surgery candidates, and short-term psychotherapy with individuals with psychiatric and/or medical disorders (chronic pain, diabetes, obesity, Parkinson's disease, cancer, amputees, etc.).
- Provided consultation/liaison to providers in a variety of disciplines, including hepatologists, surgeons, neurologists, internists, social workers, and nurses.
- Conducted clinical research on the relationship between medical illness and psychosocial variables.

Predoctoral Intern  
Vanderbilt University - VA Tennessee Valley Consortium (APA accredited),  
Nashville, TN  
06/2009 – 06/2010

- Primary rotations in behavioral medicine, organ transplant assessment, inpatient psychiatry, neuropsychological assessment, and outpatient psychotherapy.
- Assisted with clinical research investigating cognitive outcomes of intensive care unit survivors.

Research Assistant

Portland VA Research Foundation, Portland, OR

08/2007 – 05/2009

- Conducted literature reviews, collected/organized data, assisted with manuscript preparation, and performed clinical interviews as part of a National Institute on Drug Abuse-funded research study investigating the relationship between chronic pain and Hepatitis C among individuals in a substance abuse treatment program.
- Organized data and assisted with manuscript preparation for the evaluation of a brief multidisciplinary consultation program for chronic pain patients.

Clinical Specialist

ProtoCall Services Inc., Portland, OR

03/2007 – 05/2009

- Provided crisis-stabilization, short-term therapy, risk-assessment, and referral, via telephone.
- Trained in the assessment of suicidality, homicidality, domestic violence, abuse, and serious mental illness. Versed in relevant legal/ethical statutes.

---

**Publications:**

**Patterson AL**, Gritzner S, Resnick MP, Dobscha SK, Turk DC, Morasco BJ (2012). Smoking cigarettes as a coping strategy for chronic pain is associated with greater pain intensity and poorer pain-related function. *The Journal of Pain*, 13, 285-292

**Patterson AL**, Morasco BJ, Fuller BE, Indest DW, Loftis JM, Hauser P (2011). Screening for depression in patients with hepatitis C using the Beck Depression Inventory-II: do somatic symptoms compromise validity? *General Hospital Psychiatry*, 33, 354-362

Loftis JM, **Patterson AL**, Wilhelm CJ, McNetta H, Morasco BJ, Huckans M, Hauser, P. (2012). Vulnerability to somatic symptoms during interferon-alpha therapy for hepatitis C: a 16 week prospective study. *Journal of Psychosomatic Research*, 74, 57-63
